Book Overview:

In this gripping, atmospheric family drama, a young woman investigates the fortyÂ--yearÂ--old murder that inspired her motherâ€™s bestselling novel, and uncovers devastating truthsâ€”and dangerous lies.

Reformed party girl Meg Ashley leads a life of privilege, thanks to a bestselling horror novel her mother wrote decades ago. But Meg knows that the glow of their very public life hides a darker reality of lies, manipulation, and the heartbreak of her own solitary childhood. Desperate to break free of her mother, Meg accepts a proposal to write a scandalous, tell-all memoir.

Digging into the pastâ€”and her motherâ€™s cult classicâ€”draws Meg to Bonny Island, Georgia, and an unusual woman said to be the inspiration for the book. At first island life seems idyllic, but as Meg starts to ask tough questions, disturbing revelations come to lightâ€¦including some about her mother.

Soon Megâ€™s search leads her to question the facts of a decades-old murder. Sheâ€™s warned to leave it alone, but as the lies pile up, Meg knows sheâ€™s getting close to finding a murderer. When her own life is threatened, Meg realizes the darkness found in her motherâ€™s book is nothing compared to the chilling truth that lurks off the page.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
